

## *Building with a Mission*

We are on a journey to remediate our facility so it continues to be a place of connection, growth, and service. This is a significant project with a budget of \$1,000,000. We'd love for you to participate by praying for our church during this time, and giving sacrificially.

There are options to give a one-time gift, but we would encourage you to consider a pledge of donations over three years. Please consider what this may mean to you, and return this completed form with your pledge or gift towards our Building with a Mission.

- Pledge: Please consider pledging your gift in increments or for the future over the next three years, please indicate your details on this remittance form below and submit the completed form by mail, email or in person to the Hillside office.
- Online: As always, you may contribute online at [myhillside.ca/give](http://myhillside.ca/give). Please designate your gift as a 'Building With A Mission' gift.
- Checks: Checks can be put into an offering envelope, sealed, designated as Building With A Mission on the front, and dropped in the mailbox in the lobby on Sunday or at the office during office hours. Offering envelopes are available at the information rack in the foyer. Checks can also be mailed to Hillside, please include the remittance form below with your gift or note on the cheque that it is a BWAM gift.
- E-Transfer: You may also e-transfer your gift to the church via [donations@myhillside.ca](mailto:donations@myhillside.ca). Please designate that it is a 'Building With A Mission' gift.
